

My name is Marlies Akkermans, student at AP in Antwerp. I study Marketing and I'm in my second year. I have two older Sisters: Dorien and Karen. My oldest sister, Dorien, has twins and one of them is my godchild. So that makes me a proud aunt!

I love to smile, am very spontaneous. I love to go shopping and to spend some time with my friends, my family and ofcourse the twins! I love to eat italian food and to cook. I also love to go to the beach, to enjoy the sun and to drink a 'Liefmans on the rocks'!
